

Hopefully this summer has not come to an end yet – nevertheless we have to make plans for the upcoming winter.

The **32th Bremer Karneval** takes place the **17./18.02.2017** and we would like to know who is going to be part of it.

Our motto will be:

Wunderwelten (World of wonders)

You will find an overview of our ideas on our website which will help you to prepare. The motto offers a wide range of possibilities to interpret so there should be no limit for your imagination but a tough choice.

There are 2 deadlines for the enrolment: **1st of October 2016** for all groups which would like to play on stage. **15th of October 2016** for everybody participating in the parade only.

From the **beginning of September** a **registration form** is available on our website. Registration should be made using this form. Please read the **conditions for registration** carefully!

What is going to happen on this weekend?

On Friday 6- 8pm illuminated costumes and soft sounds will be part of "Lichtertreiben". Also we will do the warm up „Einheizen“ in Lagerhaus, Moments and Lila Eule.

On Saturday the parade including the opening production on the market place. After the parade Open Air stages Goetheplatz, Ulrichsplatz, Bauerstraße and Paulskloster. Masked plays in shop windows in Ostertorsteinweg.

In the evening the masked ball in Schlachthof with stages Kneipe, Magazinkeller and Kesselhalle.

External players get :

- meals on Friday evening, Saturday afternoon and Sunday morning
- a place to spend the night in a daycare centre or similar (if desired)
- free entrance to „Einheizen“

Due to our financial situation (which is not easy) we depend on your solidarity contribution of 10 Euros per person / ticket for the masked ball in Schlachthof.

Our partners which offer the sleeping places also expect a donation of 5 Euros per person.

If you would like to support us we will surely be happy about further donations. ;-)

We will be able to confirm your participation after having sorted out all relevant registrations we receive on time. Hopefully the programme for Einheizen and Schlachthof will be done until the 1st of November and the parade until the 15th November 2016.

We are looking forward your registrations and will do our best!
